

Old Mother Hubbard

Had a great fall...oh huh

Old Mother Hubbard

Lived in a shoe

She had two daughters

One's name was UU

and the other Kalessi

Whose room was always messy

Old Mother Hubbard also had a farm

And on her farm she had a garden

With Oh So Heavenly Chamomile, roses and a Chamaeleon

For which the Duke Paddington offered her a million.

No, said Mother Hubbard

It's not that easy

This rose garden can only be sold to the best

First, you have to pass a test.

Robbie and Bassadora

Will show you up the hill

to fetch a pail of water

take it to The King and Queen of Eden

who'll give you the Rabobbi Crystal

just be careful of Mephisto, Bandit and the Ninja

one of them has the Diablo pistol.

All went well till the Duke got near the palace

A Black Shadow swept over them from the West Side

The horses panicked and reared up

Robbie shouted “Whoah!”

A **Masqueraded** figure rushed out

He introduced himself: “I am **Noah**.

Where have you been?”

“I’ve been to London to see the queen.”

“Nice try”, said Noah. “Listen, we have a problem.

The crystal is missing, most likely stolen by **Gucci** girls of the **Camilla Tipp** Dancing School down the road.”

The School was having a party as the Duke arrived.

“Hello, I am **Calypso**”, a gorgeous girl said. “Here’s a **Vodka Gimlet**. Do join us.”

A tap on his shoulder makes him turn.

An identical girl smiled and offers him a **Rum and Coca-Cola**.

“Hello, I am **Calypso**. So what’s the fuss?”

Evita asked him “Are you staying for the **Full Monty** show with **Kiara**?

She’s the **Minxy** one over there, wearing the **starry** tiara”.

Vilya also sidles up to the Duke,

“I know where you should look.

Lord Ragnar has the crystal and is headed back to the Rose Garden.”

The duke rushed out and found his horse has gone.

A lonely sheep stands on the side

Azis and **Sevvie** watched and sniggered –“ that’s your new ride. “

“No, no **Maverick** will **Stop Me Now**.

Baba Black sheep have you any apps?

I must get back and I haven’t got a map.”

Jethro stepped up

“Oh, **Mary** had a little lamb...uhm,

Don’t worry I’ll get you back to the farm.”

As they reached the gate, **Meraai** stopped the Duke and handed him the Crystal.

“Where did you get it?” he asked

“**Lorelei** used her magic **Vanilla** potion and ... say no more... “

“Well, let me go and hand this over to Mother Hubbard right away.

Twinkle twinkle little star”, sang the Duke as he danced up the path clutching the crystal and a **Cremora latté.**

He stopped short when he saw Mother Hubbard and an **Astronaut** dancing among the roses.

“Ring a ring o’ Roses

Pocket full of crystals...” the music reached a crescendo.

“What the ...” exclaimed the Duke, glancing at the spacecraft next to them.

Mother Hubbard giggled “Keep the crystal darling, I have found true love!”

She whipped off her wig and draped it over a rose.

“I am tired of keeping my pose.”

“Come darling **Panda,**” the Astronaut said, “let’s go and have another Rum & Coke in my pretty ship ”

And as the saying goes - they lived happily ever after **in the starry milkyway.**
